

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK

In re:

PURDUE PHARMA L.P., *et al.*,

Debtors

Chapter 11

CASE NO. 19-23649

AMMENDED NOTICE OF APPEARANCE AND REQUEST FOR SERVICE OF PAPERS

PLEASE TAKE NOTICE that **Individual Pro Se Claimant** [REDACTED] has entered an appearance in the above referenced Chapter 11 case and requests that copies of all notices and papers filed or entered in the case be given and served to her at the email address and contact information listed below.

Furthermore, it is requested that the same contact information be added to any **LIST OF SERVICE PAPERS** associated with the **MEDIATION**, going forward.

PLEASE TAKE FURTHER NOTICE that this request is not only for the notices and papers involved in this and/or mediation, but also includes, without limitation, any and all (i) orders and (ii) notices of any application, motion, petition, complaint, demand, request, or other pleading in this Chapter 11 case, whether formal or informal, whether written or oral, and whether transmitted or delivered by mail, delivery, telephone, electronically, or otherwise filed or given with regard to this Chapter 11 case, and any of the proceedings associated with it, including those in the district, appeals or, supreme court, and the Mediation Order signed by Judge Lane.

PLEASE TAKE FURTHER NOTICE that she retains all of her **INDIVIDUAL** rights in this case to proceed in her best interest, and is relying on the **GOODFAITH** of the process and those responsible for negotiating an agreement in her **PRO SE CLAIM** and in this Chapter 11 case, as a whole. It is further stated, out of abundance of clarity, that she is a **PERSONAL INJURY VICTIM** of the Opiates in question and suffers from the damages resulting from their long-term use, which has resulted in disability.

THEREFORE, it is also requested that her involvement in these proceedings be held in such a manner that adheres to her previous request to be treated in **GOODFAITH**, so that legal maneuvering is not used to invalidate her claim, and she is not denied her **INDIVIDUAL** rights as outlined in the **CONSTITUTION OF THE UNITED STATES OF AMERICA** and any other legal precedents.

Respectfully,

[REDACTED]
